### **What you will do?**

Throughout the course, you'll learn fundamentals of scuba diving, including dive equipment and techniques. You earn this rating by completing five confined pool or shore dives, knowledge development sessions and by making four open water ( lake) dives.

### **How long will it take?**

PADI programs are performance based. You proceed as you demonstrate mastery of the course skills. This allows you to work at a pace that is comfortable for you. The skills are thought over two weeks with option of daytime and or evening session. I offer private courses for those who want a more personal experience in learning to dive. Theory is done online via Padi eLearning at your convenience and questions are covered in the practical sessions when we meet.

### **What Diving Equipment will you need?**

Norah will deliver all scuba equipment to the pool and lake sessions. All rental equipment is included in the cost of the course.

### **What you will need?**

Log Book, Be fitted in your dive equipment before the course, Complete the online portion of the course before we meet. (I am available for questions before course starts)

### **Cost**

500\$ +tax : includes all your dive equipment, air refills, certification, online recourses and help.

### **For the younger ones.**

If you are between 10 and 14 or have a child between these ages, there is a PADI Junior Open Water Diver program available.

A PADI Jr Open Water Diver between the ages of 10 and 11 years may
